

Welcome to Kinloss Primary School

This booklet has letters written by our children all about our school, for new children who are joining us.

WELCOME!

To whoever is reading this, I hope you're not worried about coming to this wonderful school because I know it's a fresh start but you will make friends and shine in this school. When I started in Primary 2 I was super nervous but by break time I made a friend. Now I'm in Primary 7 I'm kind of feeling the same way as you because I'll be going into high school so I won't see you shine in this great school. We used to have a buddy bus stop where if you're feeling lonely you can go to it, but we don't need it anymore because of how friendly our staff and pupils are. So if you're reading this, don't be nervous,

From a wonderful Primary 7 pupil.

Hello! Welcome to our School. A school where we have friendly pupils and lovely teachers.

From a Primary 7 pupil.

Our Primary School is a place of kindness, laughter and fun. The work is enjoyable and fun. You'll find lots of friends very fast. When I joined I was very nervous at the start, but settled in really nicely, so whatever is on your mind, tell a grown up and maybe they can prove to you that it isn't scary.

In School primary School we try to work together and be kind to each other and respect everyone. And if your first day is not what you expect, just remember that you can tell anyone, hope you have a good first day. From a Primary 7 pupil.
